Online Student Guide (OSG) Instructions

To Access Your Guide:

1. Open a browser window: https://f5networks.mimeo.digital
   (Chrome recommended, IE is NOT supported)
2. If you already have an account with Mimeo, proceed to step 3. If you do *not* have an account with Mimeo, use your email address to create an account.
3. Use your email and password to log into the Mimeo website. If you have taken other online F5 classes, you may see more than one guide when you log in.
4. Use the **Redeem Key** button at the bottom of the screen to enter the **Content Key** to gain access to your specific course. Verify the correct Online Student Guide has been loaded. If not, confirm you are using the correct content key.

5. The OSG can be viewed from the **Cloud** or from your **Device**.
   a) To view from your device, you need to be connected to the Internet and then **Enable Offline Access** to download OSG to your laptop, tablet, etc.
   b) To **Enable Offline Access**, select the document while in the **Cloud** area and then click (3 dots) ⋮ on the far right of the row for your document.
   c) Select **Enable Offline Access**.
6. Once the document is on your device, select **Device**.
   - Note: You will no longer need this device connected to the Internet to view the document.

   Cloud | Device

   Download the **Mimeo Digital** app from Apple App Store or Google Play Store.

7. Notice your document now has a triangle with a checkmark in it in the bottom right-hand corner. This means the document is on your device.
8. Click on the OSG icon or name of the document to view the document content.
9. Click **Settings**, **Sign Out** to Exit.

Best Viewing
F5 Training recommends using *two* screens during the class; for example use 2 monitors, or a laptop and a tablet.

One screen is used to view the instructor's presentation and to configure the BIG-IP System. A second screen is used to read the step-by-step lab instructions.

Navigation Tips

Use the **Navigation Bar** to work your way through the guide. Hold your mouse over each option on the navigation bar for more information.
For example, you can enter a page number or phrase in the **Search** window and click the **magnifying glass** icon.
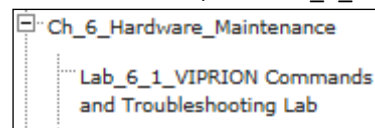

3-12 🔍 or vCMP 🔍

Use the **Outline** located on the left side to jump to different sections within the guide. Click 🔖 to open the outline.

- For example, to access the lab in Chapter 6, click the **+** sign next to Ch_6_Hardware_Maintenance:

  ⊞ Ch_6_Hardware_Maintenance

- To access the lab, click Lab_6_1:

  ⊟ Ch_6_Hardware_Maintenance
      Lab_6_1_VIPRION Commands and Troubleshooting Lab

⚠ Use the **Page Layout Modes** icon on the **Navigation Bar**, shown here, ⚙ to set the view to a ***Single Page***. This will significantly increase the speed when accessing the online student guide as well as the RDP session.
